

Dolly Family

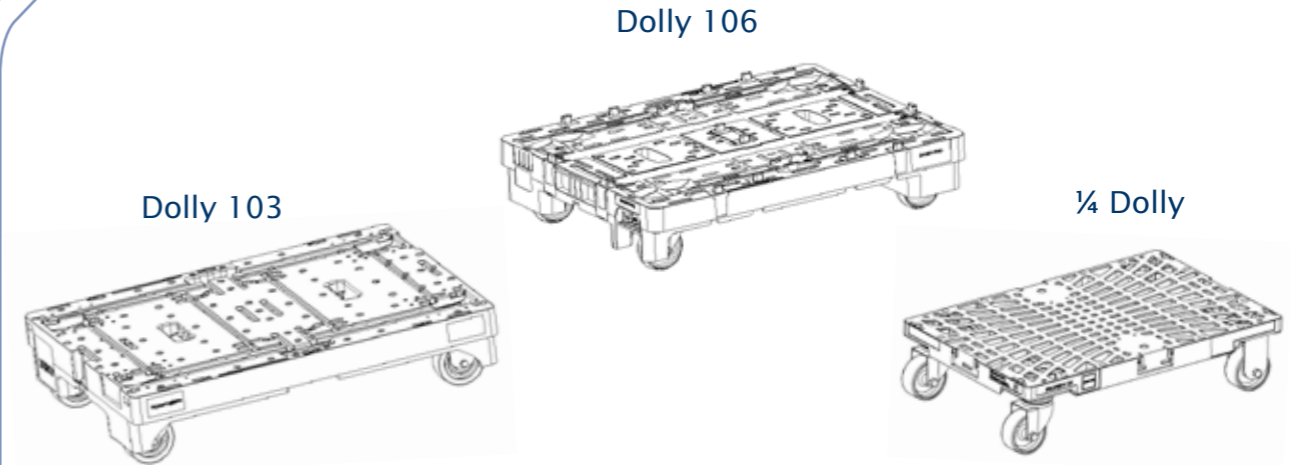

Minimizes replenishment cost

Maximizes in-store availability

- A revolutionary 'one-touch' dolly that functions as BOTH transport storage and as an attractive in-store display.
- Ideal for picking orders at your depot for direct to store.
- Designed to replace conventional shelving eliminating both time & cost of stacking while increasing sales due to constant product availability.
- Can be easily maneuvered, eliminating the need for dedicated handling equipment.
- Pop-up/rims system - to secure your trays and crates - upon request.
- Specially designed to nest on top of another - save on transportation and storage cost.
- Easy-to-clean polymer - resists moisture, insects and fungi; Impervious to acids, fats, solvents and odors.
