

Dolly Family

The new generation RPC brings a softer look, while meeting sustainable criteria

- Replace traditional wood crates with our new RPC's for a sustainable and hygienic solution
- Robust product protection during transportation
- Foldable and stackable to maximize truck and store space
- Active Lock system for more efficient and ergonomic use
- Long lasting crates provide great cost savings over disposable material
- Extra light weight for handling without the hassle of splinters or wires
- Environmentally friendly, fully recyclable
- Maintaining the sanitation within the current standard process
